# AMERICAN, VEGAN COBB SALAD WITH OIL-FREE TAHINI - RED WINE VINEGAR - DRESSING

By Jasmin Hackmann

## INGREDIENTS

- 4 handfuls worth green lettuce
- 3 tbsp coconut bacon
- 3 tbsp walnuts
- 1 handful cherry tomatoes cut in half
- 1 handful carrots cut into thin sticks
- 1 avocado optionally diced (I had forgotten mine in the photos)
- ½ small red onion in strips.
- 2 tablespoons of chives cut in small rolls for garnish

### CHICKEN-STYLE TOFU:

- ½ block of tofu, firm
- ¼ tsp sage, marjoram, thyme
- Salt and pepper to taste
- 2 tbsp of Aquafaba (dripping water from chickpeas)
- ½ tsp cornstarch

### PAPRIKA - CHICKPEAS:

- ½ can of chickpeas, about a 250 ml cup of chickpeas
- Paprika, pepper, garlic powder, onion powder and sea salt or Himalayan salt to taste

### TAHINI - RED WINE VINEGAR DRESSING:

- 2 tbsp tahini
- 3 tbsp water
- 2 tbsp red wine vinegar
- Juice of a lemon
- 1 tsp Dijon mustard
- 1 garlic clove, pressed
- Season with salt and pepper

**COOK TIME:**  
15 minutes

**PREP TIME:**  
20 minutes

**TOTAL TIME:**  
35 minutes

**YIELD:**  
2 Portions

### INSTRUCTIONS

1. First, we squeeze out the tofu for about 15 minutes, so this gets a nice solid texture. Now mix all remaining ingredients for the marinade.
2. Cut the tofu into small cubes and put it in a closable bowl and add the marinade over it. Now close it and shake vigorously that the tofu is completely covered.
3. If you wish, you can prepare it the evening before, but at least 30 minutes before.
4. Now you spice up the chickpeas.
5. If you do not have coconut bacon in stock, you can prepare it now.
6. Next step, put all 3 ingredients on different baking trays and bake at 200 Celsius. First, the coconut bacon will be ready. You bake the chickpeas and tofu until they are crispy from the outside.
7. Cut all the other ingredients and prepare the sauce, mixing all the ingredients.
8. Now you can arrange the salad on plates and pour the sauce over it and garnish with chives.
